Dear Sheep Dip,

On behalf of Amplify Life, our Board of Directors, our staff and volunteers, and the incredible clients we serve, I want to thank you for the donation of \$12,000 to our program. We were so excited to be named the beneficiary Sheep Dip 55 the Final Curtain!

We are honored to have been chosen, and want you to know what a huge impact your investment in Amplify Life will make. Our programs are life changing for the clients we serve. We provide life skills, pre vocational skills and social and recreational programming all year round to children ages 8 and above and adults of all ages with disabilities. Our clients often do not have the same opportunities as typical children or adults to learn new skills, go out into the community, and make friends. At Amplify Life, they are not disabled, they are just people, having fun, learning new things, and thriving.

With support from Sheep Dip, we will be able to provide more workforce programming, life skills programming, summer camp programming and recreational programs for our clients. You made that happen for us, and we are so grateful. Additionally, our staff and two of our clients had such an amazing time at your awards dinner, and we feel like we make some friends for life there.

Thank you, for all you have done for us. Please keep in touch through our website and social media, and join us for one of our programs if you want to see your investment in action, and all the smiles you have created!

Best,
