Dear Mr. Cralle,

Treasurer
Ryan Gilbrech

Thanks to you, northern Nevada childhood cancer patients and their families will have access to compassionate support programs from the moment a child is diagnosed through survivorship.

We give our heartfelt thanks for your gift of \$2,000 received in May of 2019. Your funds will be used to ensure families receive financial and emotional assistance to help them through their childhood cancer journey.

As the region's only non-profit dedicated to serving childhood cancer patients, the Northern Nevada Children's Cancer Foundation has provided more than \$3.9 million in direct financial aid to families in our community.

This letter may serve as your receipt for tax purposes. Please retain for your records. The Northern Nevada Children's Cancer Foundation did not provide goods or services to the donor, their advisors, or related parties as whole or partial consideration for this contribution. The Northern Nevada Children's Cancer Foundation has exclusive legal control over the contributed assets.

Your commitment to helping local families is appreciated by our staff, board members, and most importantly, by the families receiving help as they fight for their child's life.

Sincerely,

Shirley Folkins-Roberts
Executive Director

"There are no words to express our gratitude. We are overwhelmed with emotions and just want to say thank you from the bottom of our hearts to all of you there. Your help makes it possible for us to breathe a little easier. We will be forever grateful and we can't wait until we are able to give back in some way." Kyla's Family
