Seniors in Service engages vibrant and experienced volunteers to enrich Northern Nevada communities one life at a time.

May 28, 2019

Mr. Kevin Cralle, President
Sheep Dip, Inc.
P. O. Box 2728
Reno, NV 89505

Dear Mr. Cralle,

Thank you so much for the very generous donation of \$2,500 (check number 2235) received on Thursday, May 23, 2019. Our organization serves at-risk youth, caregivers and seniors through senior volunteers and respite.

Foster Grandparent volunteers are 55 years and older. They mentor and tutor at-risk youth in supervised settings to help them meet academic and social goals. The majority of our volunteers serve in elementary schools, with some placements at the Boys and Girls Clubs, Kids Kottage, TruVista, etc.

Senior Companion volunteers are 55 years and older. They provide basic social support (visiting, transportation to doctor's appointments/grocery shopping, etc.) to seniors 60 years and older. Our clients live alone, no longer drive and have limited social support. The goal of this program is to help seniors remain independent for as long as possible.

The Caregiver Respite Voucher Program supports live-in caregivers. The care receiver must be 60 or older, need assistance in multiple activities of daily living and are not safe when left alone. Qualifying caregivers receive a voucher, which enables them to hire someone to care for their loved one so they may receive a much-needed break.

Thank you, again, for your generosity. Your donation is a much-appreciated surprise. ☺

Sincerely,

Mary Brock
Executive Director
